

Datasheet

Helix Tag Line

- Designed with a rigid core and stiff overbraiding to prevent any turning on itself and wrapping around objects.
- Spiral effect (Helix), which will dramatically increase grip in wet and slippery conditions
- Made from Dynlce 75 12 mm with 6 mm core synthetic rope offering remarkable strength and light weight
- Weaved Over Braided cover to prevent abrasion
- No knots
- High visibility yellow outer braid
- Specifically designed in conjunction with Major Drilling Contractor for the desired application
- Available in four sizes; 15 ft, 25 ft, 35 ft and 45 ft
- Often used with KH400 Atlas Scaffold karabiner hook

Article number	Model	Diameter	Colour coded eye	Length meter
0424505	TL-15	12 mm with 6 mm core (18 mm)	Yellow	4,5
0424510	TL-25	12 mm with 6 mm core (18 mm)	Green	7,6
0424515	TL-35	12 mm with 6 mm core (18 mm)	Red	10,6
0424520	TL-45	12 mm with 6 mm core (18 mm)	Grey	13,7
0619605	KH400	57 mm opening	Gold	-
